### **CLASS CHANGE / CORRECTION OF ENTRY**

Owners are responsible for the accuracy of information in the entry forms, regardless of who may make such errors. Owners and exhibitors are responsible for correcting any errors in their entry. Dogs that, according to their owners' records, have completed the requirements for a title after the closing of entries, may be moved up from the entered class to another class for which the dog is now eligible, provided that a request for move up is made in writing to UKC not later than one-half hour prior to the start of any regular judging at the trial. All other corrections to entries must be made in writing to the Event Secretary not later than one-half hour prior to the start of any regular judging at the trial.

### **JUDGES**

***Donna Morgan Murray #7418***

***Carol Victoria Lovejoy #7333***

***Tracy Hill #7414***

### **AWARDS**

Light blue ribbons are available to Element qualifiers. Placement ribbons are awarded to places 1-4 in the Elements. New title ribbons are awarded to those dogs who complete a title. Please notify the Show Secretary if you complete the Elite or Championship NoseWork title as we have special ribbons for you.

### **SECTION A or SECTION B**

*When entering UKC Nosework trials, please note the boxes requiring participant to indicate whether he or she is entering Section A or Section B. Ribbons will be awarded separately for each section. We want you to get credit for your hard work, so if you have questions about what section you should enter under, please contact UKC. Competitors are responsible for making the correct selection.*

A: This section is for true beginners of the sport. This section is open to all exhibitors and dogs that have not earned a title in the element in which they are entering or equivalent title in another organization. The exhibitor must own the dog entered or be a member of the owner's household or immediate family. Once the dog has earned the title they may no longer compete in the "A" section. No licensed or professional dog trainer or Nosework instructor, regardless of the person's status as an amateur or professional, may compete in this section. No person licensed to officiate Nosework in UKC or any other organization may compete in this section.

B: Any dog or handler that is qualified is eligible to compete in Section B. Dog and handler teams may continue to compete in this section indefinitely. The exhibitor does not need to own the dog entered.

### **HANDLER DISCRIMINATION**

In Novice, Advanced, and Excellent, one glove must be provided by the handler. In Master level classes, handler must provide a personal item according to the rules for this level.

### **PHOTOGRAPHY**

There may be an official photographer at this trial. You may also have up to two non-entered persons accompany you to the search area to take still photos and/or video your runs, at the discretion of the judge. Spectators may or may not be allowed depending on any restrictions in effect at the time of trial.

**SHHHHHH!!!!**

Unlike other dog sports, the Nosework hides are secret. Participants will be directed to and from search areas by volunteers in such a way that the area is not visible to participants until they search. Please be very careful not to accidentally say anything that will give away information to those waiting to search. Thumbs up/thumbs down only. Be sure and remind any non-Nosework friends attending that mum is the word!

## **REACTIVE DOGS**

UKC does not recognize red or yellow bandanas for reactive dogs. There will be no reactive dog parking area or potty area. Each person is responsible for keeping a comfortable distance between their dog and other dogs at all times. Dogs must be on a six foot leash, in a crate, or in the car at all times except when searching, where longer leads or off-leash where judge permits will be allowed. It is the responsibility of each handler to manage their own dog. We all want the trial environment to be safe and comfortable for all the dogs and people entered and watching. Please read the rules regarding reactive dogs before entering.

## **SITE INFORMATION**

Parking is available adjacent to the building. The 4 Paws DogWorks parking lot does not have sufficient space for motor homes. No overnight parking is available on show site. There is no charge for day parking.

## **FACILITY ACCESSIBILITY**

Doors are all manual, with some having a threshold. Someone will generally be near doors should you require assistance.

During indoor searches, there is limited access to restrooms. Porta Potties are available in the parking area. Exterior searches will be held on relatively flat surfaces of grass, gravel, or concrete.

## **NOTICE TO EXHIBITORS**

2. Absolutely no alcoholic beverages or illegal drugs may be consumed while competing in UKC-licensed events.
3. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and children. 6. UKC will vigorously support any motel that files a complaint about exhibitors who fail to keep their dogs quiet or to clean up after them. 7. UKC encourages exhibitors to present their dogs in a natural appearance. Dogs should be clean, with nails cut to a length suitable for the dog to perform at the trial. UKC enforces rules against artificially altering pigment and coat color, coat texture, and surgical alterations as outlined in the UKC Rules and Regulations.
