ORT ENTRY INFORMATION

Opening Date: Monday, May 18, 2026 at 9:00AM PT

Entries Close: Friday July 3, 2026 at 5:00 PM PT or when entry limits have been met

Second Dog Policy: Two dogs per handler for each odor tested.

Entry Method

First received by USPS; Mail overnight deliveries must have the signature waived box checked.

- Telephone, Fax, Unsigned Entries, and Entries Received Without Fees Cannot Be Accepted.
- Returned Checks Do Not Constitute a Valid Entry Fee. \$45 Fee for Returned Checks.
- Entries Must Be Made On The Attached Entry Form.
- No Entry Shall Be Made or Accepted Which Specifies Any Conditions As To Its Acceptance
- Owners Are Responsible For Errors In Making Out Entry Forms
- Express Mail Entries Must Include Signature Permitting them to be left at the secretary's address without the recipient's signature

Entry Requirements

A Qualified Entry is one that meets all the following criteria:

1. Complete entry during the specified entry time frame.
2. The Handler is a NACSW member for the 2025-2026 membership year (8/1/25- 7/31/26).
3. The Dog is registered with the NACSW.
4. Dogs participating in an Odor Recognition Test (ORT) must be at least six months of age.

For information on how to register or become a member go to www.NACSW.net

Trial Eligibility and ORTs

Revised 1/26/26

The ORT Title must be earned at least 14 days before a trial opening date to be eligible for the first draw period. All odors must be passed in order to earn the ORT title. It is not required that they all be passed at the same test.

Notification

Acknowledgement of entry acceptance/confirmation, will be made by email when entries are processed for those handlers that provide an email address. If you require confirmation via USPS, you must provide a self-addressed stamped envelope with your entry. Your payment receipt and notification are confirmation of your completed entry.

Basic Description of the Test

To successfully pass an ORT a dog must identify the location of the target odor, and the handler must correctly call an "alert" within a **two minute 30 second (2:30)** time period. The Odor Recognition Test consists of a drill type exercise which requires 12 closed boxes typically set up in a pattern of two rows, spaced a **minimum of 36" apart**. The ORT is conducted on leash. Complete information can be obtained on the NACSW website. Handlers may test on all 3 odors at the same event.

*All exhibitors should obtain and review a copy of the **NACSW K9 NOSE WORK® RULE BOOK**. You may get it from their website: www.NACSW.net*

No dog will be given more than one space in the same odor test at a single event.

CANCELLATION POLICY

A 100% refund will be given for any requests for withdrawals received prior to the closing date. All cancellations must be emailed to ORT@4PawsDogWorks.com

No refund of entry fees will be made for entries cancelled after the closing date, except in the cases of bitches that come into season. Entry fees shall not be refunded if a dog or handler is absent, disqualified, or excused by the NACSW official or judge.

This cancellation and refund policy applies to competitors that must withdraw for any reason including but not limited to injury, illness, emergency, and personal or work-related reasons.

If the ORT cannot take place or be completed by reason of fire, civil disturbances, an Act of God, public emergency, or any other cause beyond the control of the test organizers, then the ORT host will make their best effort to provide partial refunds after recouping their expenses.

All cancellations must be emailed to the Trial Host: ORT@4PawsDogWorks.com

LOCATION DETAILS

ADA Site Specific Conditions

4 Paws DogWorks is a single level facility with no stairs. Parking areas are gravel or black top. If you wish to have a hard surface parking spot, AND you have a handicap placard, please make a note on the entry form. LIMITED SPOTS AVAILABLE.

Doors are all manual, with some having a threshold. Someone will generally be near doors should you require assistance. During searches, there is limited access to restrooms.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, these conditions may be modified at the last minute.

Modeled after real-life detection work, NACSW events are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Events frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for physical demands and must be able to navigate the terrain with their dog accordingly. Handlers should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at events. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this event at their own risk.

Parking

Parking is available adjacent to the building. The parking lots are either pavement or gravel with no shade. The 4 Paws DogWorks parking lot does not have sufficient space for motor homes. No overnight parking is available on the trial site. There is no charge for day parking.

Reactive Dog Parking

There will not be reactive dog parking at this test.

Unentered Dogs

Unentered dogs must remain in the competitor's vehicle during the test day. There will be ample potty areas, but unentered dogs should not be allowed to "play", exercise, or train on the test grounds.

RV Parking

Depending on entry numbers, the parking lot may not be able to accommodate vehicles that take up more than one standard parking space. Large RVs can't be accommodated. Please contact the Test Host Contact/Secretary if you are unsure about parking. No overnight RV parking is available.

Facility/Site Prohibitive Restrictions (e.g., smoking, firearms, alcohol, etc.)

Alcohol is not allowed on this event site. Firearms are prohibited on the property. Smoking is not allowed on this test site, including the use of e-cigarettes.

Running Vehicles or Generators in the parking lot

Example: Running your vehicles or generators in the parking lot is allowed at this event as long as you have permission from your neighbors or are willing to park away from others.

DOG INFORMATION

Dog Policies

- All dogs must always be on a 6' leash when not searching. NO flexi-leashes while not participating in a search.
- Reactive and/or spatially challenged dogs should wear a red bandana (to be provided by the dog's handler) to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating search space, interrupting a search, or from viewing any part of the search.
- Handlers should expect to keep their dogs confined in a crate or vehicle when not searching. The logistics of an event typically do not allow for dogs to hang out on leash in between searches. Handlers should plan to provide their own shade using canopies or shade cloths.
- Refer to location details (above) for information on unentered dogs.

Females in Season

Females in season are allowed to participate in ORTs. If there is a bitch in season participating in the ORT, she must wear panties and will run at the end of each odor.

OTHER INFORMATION

COVID-19 Information

Event attendees are required to adhere to the NACSW [COVID-19 Event Guidelines and Rules](#)

In addition to those guidelines the following changes and guidelines are in effect for this test due to COVID-19.

If there are any significant changes or updates after the draw period, handlers will be notified via email. Handlers are responsible for staying up to date on any jurisdictional requirements for their home location as well as the event location including any travel guidance.

ADA Requests

If you are an individual with a disability and would like to request accommodation(s), please email ADA@nacsw.net. Please include your name, ORT date, ORT host name, and your requested accommodation(s).

Rules

Complete rules are available at www.NACSW.net. **It is the responsibility of each handler to read and understand the current NACSW™ Rule book prior to participating in a NACSW event.**

Liability

By registering for the event, the handler hereby assumes all risks of, and responsibility for, accidents and/or damage to her/himself or to her/his property or to others **or the property of others**, resulting from the actions of her/his dog. The handler expressly agree that the NACSW, 4 Paws DogWorks and its assignees or any other person, or persons, of said groups, shall not be held liable personally, or collectively, under any circumstances, for injury, and/or damage to her/himself, for loss, injury, **or damage** to property, whether due to uncontrolled dogs or negligence of any member of said groups, or any other cause, or causes. The handler also agrees to assume all financial liability that may be incurred by the NACSW, **4 Paws DogWorks & its assignees or any other person, or persons, of said groups** due to the actions of themselves or their dogs regardless of the cause.

Revised 1//26/26

Sportsmanship

All handlers and spectators are expected to follow the rules of the NACSW and demonstrate good sportsmanship. This includes making sure the hide placements are unknown to the handler prior to searching and kept secret from other handlers. Please do not discuss hide placement or any details of a dog's performance that may provide information or clues to other handlers or may be overheard.

Results

During the odor re-sets, the official results sheet will be brought out to the parking area for handlers to photo or review. We recommend you verify your results on the official results sheet and let your host or judge know if you have any questions regarding your results.

Spectators

Additional guests are welcome, however spectating opportunities may be limited. Please verify attendance policies with the host before bringing or inviting anyone not volunteering, testing, or officiating.

An adult accompanying a minor must be present during the searches. Everyone at the test site must sign the waiver provided by the host and comply with all event requirements. Participants are not allowed to watch the testing at any time.

Spectators are reminded that the hide placements must not be discussed nor should they speak with any handlers about what they saw until after the event is complete. No dogs will be allowed in the spectator area. No unentered dogs with spectators are allowed at the event. An adult accompanying a minor must be present during the searches. Everyone at the site must sign the waiver provided by the host and comply with all event requirements. Handlers are not allowed to watch the searches at any time.

Videotaping and Photography

If the site allows public video to be taken, handlers may wear visible head or chest cameras to record their searches. You will not be allowed extra time at the start line to get your camera functioning. Please be sure it is ready to go prior to arriving at the search area. At ORTs, handlers may bring a spectator to video or photograph their searches. Videos may not be made public until completion of the event day.

Emergency Veterinary Hospital

The closest emergency veterinarian to the event location:

Mid Columbia Pet Emergency Services
8913 Sandifur Pkwy, Pasco, WA 99301
509-547-3577

Questions

All Test related questions, contact Tracy Hill ORT@4PawsDogWorks.com

Details regarding check-in time and briefing will be sent approximately 1 week before the ORT.
