AWARDS

Light blue ribbons are available to Element qualifiers. Placement ribbons are awarded to places 1-4 in the Elements. New title ribbons are awarded to those dogs who complete a title. Please notify the Show Secretary if you complete the Elite or Championship NoseWork title as we have special ribbons for you.

SECTION A or SECTION B

When entering UKC Nosework trials, please note the boxes requiring participant to indicate whether he or she is entering Section A or Section B. Ribbons will be awarded separately for each section. We want you to get credit for your hard work, so if you have questions about what section you should enter under, please contact UKC. Competitors are responsible for making the correct selection.

The "A" Section. This section is open to all dogs that have not earned a title in the class they are entering or an equivalent title in another organization. The exhibitor must own the dog entered or be a member of the owner's household or immediate family. Once the dog has earned the title in that class, they may no longer compete in the "A" section of that class but may continue to compete in the "A" section of any other class they do not hold a title for. No licensed or professional Nosework/K9 Detection instructor, regardless of the person's status as an amateur or professional, may compete in this section. No person licensed to officiate Nosework in UKC or any other organization may compete in this section.

The "B" Section. Any dog or handler is eligible to compete in B section of a class. Dog and handler teams may continue to compete in this section indefinitely. The exhibitor does not need to own the dog entered.

HANDLER DISCRIMINATION

In Novice, Advanced, and Excellent, one glove must be provided by the handler. In Master level classes, handler must provide a personal item according to the rules for this level.

PHOTOGRAPHY

There will not be an official photographer at this trial. You may have up to two non-entered people accompany you to the search area to take still photos and/or video your runs, at the discretion of the judge. Spectators may or may not be allowed depending on the COVID 19 restrictions in effect at the time of trial.

SHHHHHHH!!!!

Unlike other dog sports, the Nosework hides are secret. Participants will be directed to and from search areas by volunteers in such a way that the area is not visible to participants until they search. Please be very careful not to accidentally say anything that will give away information to those waiting to search. Thumbs up/thumbs down only. Be sure and remind any non-Nosework friends attending that mum is the word!

REACTIVE DOGS

UKC does not recognize red or yellow bandanas for reactive dogs. There will be no reactive dog parking area or potty area. Each person is responsible for keeping a comfortable distance between their dog and other dogs at all times. Dogs must be on a six foot leash, in a crate, or in the car at all times except when searching, where longer leads or off-leash where judge permits will be allowed. It is the responsibility of each handler to manage their own dog. We all want the trial environment to be safe and comfortable for all the dogs and people entered and watching. Please read the rules regarding reactive dogs before entering.

SITE INFORMATION

Parking is available adjacent to the building. The 4 Paws DogWorks parking lot does not have sufficient space for motor homes. No overnight parking is available on show site. There is no charge for day parking.

FACILITY ACCESSIBILITY

4 Paws DogWorks is a single level facility with no stairs. Parking areas are gravel or black top. If you wish to have a hard surface parking spot, AND you have a handicap placard, please mark the box provided on the UNTC entry form. LIMITED SPOTS AVAILABLE.

Doors are manual, with some having a threshold. Someone will generally be near doors should you require assistance.

During indoor searches, there is limited access to restrooms. Porta Potties will be available in the parking area. Exterior and Vehicle searches will be held on relatively flat surfaces of grass, gravel, or concrete.

NOTICE TO EXHIBITORS

1. All events are held under the Rules and Regulations of the United Kennel Club, Inc. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport.
2. Absolutely no alcoholic beverages or illegal drugs may be consumed while competing in UKC-licensed events.
3. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and children. Any exhibitor whose dogs or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In that case, no refund of any fees paid will be made.
4. UKC, United NoseWork Tri-Cities, 4 Paws DogWorks, their agents, and their employees assume no responsibility for any loss, damage, or injury sustained by spectators or by exhibitors, or to any of their dogs or property, and further assume no responsibility for injury to children not under the control of their parents or guardians. UKC, United NoseWork Tri-Cities, 4 Paws DogWorks are not responsible for loss, accidents or theft.
5. Exhibitors and dog owners are expected and required to clean up after their own dogs. Any person witnessing a violation of this rule must report it to the Event Committee. The Event Committee may ask any person violating this rule to leave the event grounds. No refund will be made if an exhibitor is asked to leave the grounds.

6. UKC will vigorously support any motel that files a complaint about exhibitors who fail to keep their dogs quiet or to clean up after them. In order that the bad conduct of a few exhibitors does not spoil it for the majority of responsible exhibitors, UKC will take strong disciplinary action against any offenders.
7. UKC encourages exhibitors to present their dogs in a natural appearance. Dogs should be clean, with nails cut to a length suitable for the dog to perform at the trial. UKC enforces rules against artificially altering pigment and coat color, coat texture, and surgical alterations as outlined in the UKC Rules and Regulations.
8. Dogs may not be left unattended when crated in soft mesh crates. No dog may be left in a crate which is not securely closed.
9. Except when being judged or crated, dogs must be kept on leash.
10. No smoking allowed on show property
